SUPERMARKET OWN BRANDS

ALDI SUPERMARKET S

Aldi are not supplying gluten free listings of their own brand range but they have informed the Society that all Aldi products that are Gluten Free (as per the revised Codex Standard) are clearly labelled as such, if a consumer has a query regarding any Aldi product the company will be happy to help on a case by case basis.

Disclaimer

Whilst every care has been taken in compiling this list of additions to the 2009 Food List, neither the Coeliac Society nor those involved in its compilation, can accept responsibility for any errors of mis-statement contained therein. It must be stressed the importance of checking food labels.
